

Fee Regulations

Swiss Data Center Association / SDCA

**SWISS
DATACENTER
ASSOCIATION**

I. Introduction

- The membership fees consist of a one-time admission fee, which is due at the time of admission of a new member, and an annual recurring membership fee, due at the beginning of the year.
- The Partner fee consists only of an annual recurring fee.
- The amount of the fees is decided annually at the annual General Assembly.
- The fees differ according to membership type.
- The fees can be reduced for compensation of active roles in the association*
